Support Our Seminarians!

We are blessed to have two new seminarians this fall in the Diocese of Gaylord, joining three others who will continue their studies and journey towards the priesthood. To walk alongside our seminarians, we take up a special collection for their education expenses each August, in honor of St. John Vianney, patron of parish priests. This is an import endeavor as the financial burden is significant for young men entering the priesthood—the average annual cost for one seminarian being approximately \$40,000 per year.

You should have received a letter from Bishop Walsh in the mail inviting you to support our seminarians. **Please pray for our young men and consider making a financial gift to support this cause.** Contributions can be made online at dioceseofgaylord.org/make-a-gift or checks can be mailed to the Diocese at 611 W. North St., Gaylord, MI 49735 or dropped in the offering basket.

SHRINE CORNER

I often wonder how the 3 children of Fatima or St. Bernadette must have marveled at seeing a beautiful lady in a cove or pasture and wondering what in the world is she doing there? I wonder what I would have done in their place. Perhaps made some off-hand remark. They were truly blessed by God to have Our Blessed Mother choose them, though at a remarkable cost. They were threatened with being boiled alive, made fun of by the other children, and told by their parish priest or bishop to stop what they were doing or else some punishment would befall them. They persevered in this difficult situation finding comfort in the presence of Mary and pushed through the problems confronting them even at the cost of their lives. As we know now, that did not occur, but the children did not know that.

The restoration continues with the scaffolding now in place at the center front of the Shrine. There has been discussion on how or what should be done to clean and paint the tubular cross. We have talked about removing it and having it sandblasted and painted, or seeing how much it would cost to be done in place. I have a sinking feeling that would be an excessive price. We also have an issue with some of the pine trees around the Shrine damaging or discoloring of some of the statues. It has been suggested to remove the trees while another idea is to have some type of structure to cover the statues. Either way, something needs to be done to prevent any more harm to the statues.

Our fundraising this year is showing a shortfall to date. We have \$80,404.32 and it looks like we will need about 100k. There is still plenty of time to raise the amount needed and, if God looks after us, we will achieve our goal. And, our cats have found themselves a good home, thanks to God and His blessed Mother.

To anyone who is wondering why the billboard out front no longer has the Assumption posted—it is because we had some children (presumably) deface the signage by rearranging the letters to post some foul words, hence, the removal of the letters.

Our parish needs a Kitchen Director—someone who will step up and answer the call God is making. The difficulties that I (*Editor's Note: and Maryanne, too!*) am finding by attempting to fill both rolls is just too much and I simply cannot continue to do everything. Please find it in your heart to assist if you can.

May God Bless You. Dan Thorpe, Shrine Director
