

WANTED

If you love helping, meeting and caring for others, then we have the position for you. Lydia's Gate needs overnight house sitters. The shifts run from 8:00 pm to 8:00 am and you would be paid a stipend. Great for college students who need time to study and earn a little extra cash.

We are also in need of an assistant Director. This would include some office work, fundraising and working with guests.

If you are interested in either of these positions, please contact us at the shelter.
