Shrine Corner

This is going to be my last written insert. I am moving from being “old” into an “antique” status. My ability to work at various shrine events has become somewhat limited. So it is time for me to step aside and I believe we are in good hands.

Monte has several projects he wants to undertake and Scott is just unbelievable with technology. Along with their wives, Ann and Carol, I know we are in good hands.

I want to say Thank You to the Parish Family for being there when needed, both in donations and work time. I know numerous people helped bring Our Lady of the Woods Shrine back on the map as a viable shrine again for visits and pilgrimages.

When I first became involved I was told nobody volunteers. What I found was just the opposite. I first started writing inserts back when we had 40-some volunteers who volunteered their time in one way or another for the Feast of the Assumption. Based on that insert, I found that the Parish Family wanted to know what was going on and how much it was it going to cost. So the inserts continued and built into a newsletter by our crew. I believe in total transparency. It must have worked.

I had the opportunity to work with some great people—Linda Whaley, Sharon LeBlanc, Annette DiPonio, Delores McArdle and Betty Stanchina. I can’t forget Cathy Kuba when she took over the Gift Store. These people are the true ‘heart and soul’ of Our Lady of the Woods Shrine.

The Restoration is over and now the buck passes to somebody else. I wish them the best of luck and wish them well. May they continue the upward positive trend for the Shrine.

Lastly, working at the Shrine was not work for me—it was enjoyable. I received so much more than I gave out. I have learned first-hand that God gives back, much more than He receives. I have been blessed to be here. This Shrine is special.

Tom Shea told me recently that we have been blessed to have Father San who loves the Shrine. **AMEN!**

God Bless.
