**AED Defibrillator Training** for all parishioners interested in learning how to use it, is taking place **Wednesday, Nov. 6 at 7 pm** in the parish hall. **All church volunteers** are encouraged to attend and learn how to use the AED Defibrillator, should it ever be needed. It's not complicated and walks you through every step! Being prepared could save a life.

**Reflection on Life:** So often, as a society and as individuals we base our worth on how productive we are and we believe our life to be good (or not) depending on the degree of independence or pleasure. We may even begin to believe that if lives don't "measure up" to a certain standard, they are less valuable or less worth living. Our worth is not based on our skills or productivity, but in the unchangeable, permanent fact that we are created in God's image and likeness and called to an eternal destiny with Him. Nothing can diminish the immeasurable worth and dignity of our lives. Others may fail to respect that dignity, and may even try to undermine it, but they only distance themselves from God's loving embrace. Whether it lasts for a brief moment or for a hundred years, each of our lives is a good and perfect gift.

An elderly man whose health is deteriorating, an unborn baby girl whose diagnosis indicates she may not live long; a little boy with Down syndrome; a mother facing terminal cancer — each may have great difficulties and need our assistance, but each of their lives is worth living. Show them God's love by taking the time to listen, providing respite care or preparing meals, or simply being present and available. Pray for them - bringing their needs before the Father and asking Him to work in their lives.

Mrs. Smartt was fumbling in her purse for her offering when a TV remote fell out and clattered into the aisle. The curious usher bent over to retrieve it for her and whispered, "Do you always carry your TV remote to church?" "No," she replied, "but my husband refused to come with me this morning, and I figured this was the worst thing I could do to him legally."
